

## PGA MENTORSHIP PROGRAM:

Everyone has something to give, and everyone has something to learn. The PGA RISE (Retain, Instill, Succession, Encourage) Mentorship Program empowers all PGA employees to reach their full potential. It helps junior staff develop professionally, provides exposure to different disciplines and different ways of thinking, and builds leadership skills.

## OTHER GREAT REASONS TO JOIN THE PGA TEAM:

- Competitive salaries
- Open-door policy with company leadership
- Unlimited career growth potential
- Flexible teleworking policy

“The best part of being an engineer is coming up with creative solutions for your clients...it’s that creativity that separates us from our competition, as well as the drive we have as engineers, putting together a set of plans and helping improve the lives of citizens of the communities we live in.”

- Hiren Patel, PE  
President and  
Co-Founder of PGA

## WHO WE ARE:

Patel, Greene & Associates, LLC (PGA) is a recognized leader in transportation engineering in Central Florida. We deliver innovative roadway, drainage, structures, and traffic & ITS engineering, as well as planning, landscape architecture, environmental, and construction services-CEI to the Florida Department of Transportation, as well as municipalities and other agencies. Our firm leads projects ranging from sidewalks to roadway widenings and resurfacings to bridges and multi-level interchanges.

We consider our people to be our greatest asset. We have built a team of dedicated, passionate professionals who have a common goal of putting our clients first, and we continue to grow and strengthen that team every day. Together, we provide our clients with the best services possible, refusing to compromise on our commitment to excellence.

## OUR MISSION:

We exist to elevate our families, communities, and profession.

## OUR CULTURE:

PGA differentiates itself by our commitment to our one-of-a-kind culture. Our founders launched PGA with the intent of creating a company that would support premier professionals tackling challenging projects and having a lot of fun along the way. Since 2011, the firm has grown from two people to more than 100 and with every hire, the focus remains on maintaining a positive and supportive work environment, a work hard-play hard mindset, and overall, a company that staff and their families are proud to be a part of.

PGA is recognized each year as a fast-growing firm, as well as a Best Place to Work locally and nationally.

**#1 Best Firms to Work For  
(100-199 Employees)**

**#1 Civil Engineering  
Category**

**#5 - Large Company**  
TAMPA BAY BUSINESS JOURNAL
